

On top of still serving delicious local food & drinks, our top priority is keeping all customers and crew safe.

The main measure we have in-place are:

- **Staff training**
- **Hand Sanitising stations**
- **One way systems**
- **Serving from a 1 meter distance**
- **Staff temperature checks**
- **Card payments where possible**
- **Distancing tables**
- **Track & Trace**

By logging into the site guest wifi and entering your details we can notify you if need be (data will be stored for 21 days).

The team are adapting well to the safety measures, but we do ask in return that all guests to do their part in following the procedures to keep everybody safe.

If you do visit us on the coast, we also ask you to be patient with our team, there is a chance some things might now be a speedier as usual just while adjust to the new normal.

**THANKYOU**
